Sir,

Sub: Radio set Battery - K.I.S. Manjeshwar Block Netanji Gramasangam - withdrawal of set - write off - arrears of maintenance charges - re:

Refce. I.W.D. G.O.No.Ms.71 d/5-1-56. P.234. (F)

In the G.O. cited Government have sanctioned the write off of a sum of Rs.341/- being the irrecoverable arrears of annual maintenance charges payable by the Netanji Gramasevasangam for the radio set. I enclose in this connection a copy of Radio Engineer's letter No.6716 C2/54 - dated 25-10-55 from which it willbe observed that the amount payable by the Sangam is only Rs.97-5-0 and not Rs.341/- after allowing a credit of Rs.243-11-0 towards the value of the set assessed after allowing depreciation at 20%. In the circumstances reported, revised sanction may please be arranged to be accorded.

Sub: Broadcasting - State - Radio set - Netanjigramasangam Kumbala Firka - South Kanara District - Recovery of maintenance charges -

---

A Philips 663 VN Battery operated set was installed on 17-11-49 at Nettanji, South Kanara District under the auspices of the local grama sangam. Half the non-recurring charges were met by Government in the Firka Development Department, the other half having been borne by the Grama Sangam.

The above set was maintained by this department after recovering the recurring charges until 9-4-52 when it was withdrawn for default in the payment of the annual maintenance charges. A sum of Rs.341/- was due from the Centre towards annual maintenance charges and licence fee as on the date of withdrawal.

All possible efforts were made to realise the dues from the centre by series of correspondence with this Sangam, the Deputy Registrar of Co-operative Societies, Kasargod, the Block Development Officer, Manjeswar, the Collector

the Collector of South Kanara and this office. Finally, the Block Development Officer, Manjeswar in his letter No.Ref.C.2369/55-B dated 1[illegible]-9-55 reported that the Secretary and other office bearers have expressed their inability to pay off the dues. The Collector of South Kanara in his letter No.L.Dis.11527/55 dated 17-9-55 to the Joint Secretary to Government, Public (R.D.P.) Department, Fort St. George, Madras (copy enclosed) while forwarding the report of the Block Development Officer, Manjeswar to the Government would appear to have agreed with the views of the Block Development Officer that it is not possible to recover the dues from the defunct Sangam.

The radio set withdrawn from the above centre is in the custody of the Assistant Radio Engineer, Kozhikode. As regards the disposal of this set, the same has to be handed over to the centre for disposal in any manner it pleases with reference to paragraph IV(iii) of Public Works Department Memo No.1544 F/50-3 dated 16-8-50. But since a sum of Rs.341/- is due and payable by the Centre, it is suggested that the set may be retained by this department. The depreciated value of the set as on the date of withdrawal may be credited against the dues from the private body. This works out to Rs.243-11-0. The balance of the dues amounting to Rs.97-5-0 may be written off as it will be impossible to collect the same.
